

Opting For MMOXE.Com for Cheap WoW Gold

World of Warcraft commonly referred as wow is an MMORPG. World of War craft appears in the world of Nazareth. This MMO was released in the 23rd of November, 2004. It was the date when the 10th anniversary of the War craft franchise was celebrated. Recently, a conference was held between the Gamasutra and Activision Blizzard investors. The subscription of wow is still in between 11.1 million subscribers worldwide or there is a sluggish declining rate until 30th of June.

One of the speakers confirms that the players of wow are getting accustomed to the content more and more. Due to this we are going to introduce new content including major new raid and dungeon. It is also added that the new content will keep the game fresh for the existing players, and induce the lapsed players to come back. Though there is the churn, the overall revenues were \$313 million for the quarter ending June 30. One year back, it was \$299 million.
