

RIFT gold is supplied by MMOXE.com

A product of the Trion Worlds, RIFT is a fairly recent addition to the ever growing world of massively multiplayer online role playing games. This particular game was introduced in 2011 in the month of March.

This game takes place in the fictional space called Telara. Eight powerful forces are engaged in a potent battle in order to gain power and take control here. Thus [buy rift gold](#) and enhance this game right from the start when you make your first entry in Telara.

This game has already gained significant honor and praise from several notable critics. Shotgun Gamer, for instance has given it a 10/10 rating. At the same time, TenTonHammer has praised it with 95/100 score. Game Pro has honored it and PC gamer has praised this new player in the world of MMORPGs. Other awards include “The New York Times Best Games of E3” as well as “GameSpot Best of E3 Awards”. Due to this game Trion Worlds has emerged as a winner in the “ZAM Best Booth at E3” as well as “Massively Best Booth at E3”. The noteworthy 1UP.com has honored the game of RIFT as well.

Additionally, you might require gold to carry out certain tasks. It is for this reason sites such as MMOXE.com are providing [cheap rift gold](#) to make it easier for you. Moreover, the purchase and payment is made smooth too because you can now [buy rift money with google checkout](#).

Regarding the statistics concerning the public participation, it has been estimated that already around a million players have encountered this game and indulged in this new MMORPG experience. In fact, people claim RIFT will be a likely winner in the upcoming “game developer online choice awards” that will take place very soon in October of 2011. These statistics have clearly led to high levels of optimism, especially for the developers (Simon Ffinch as well as Han Hanlin).

The name RIFT comes from the literal definition of the word. However, in this world, this can have a drastic influence on the game because these rifts can enable monsters to enter and wreak havoc. Thus, as a dedicated RIFT player, it is your duty to keep a check on these events and defeat them with weaponry and your powers. In order to do so, you can choose one of the several categories that are available to you. Warrior classes as well as Mage or Rogue and Cleric are some of the examples.

Since this is a fairly new game, you are probably, a new gamer. Hence, if you are lacking in gold, you can indeed get [rift gold](#) easily through MMOXE.com.

Thus, experience this new role playing game which gives you a chance to leave reality for a couple of hours, discard your mundane days and instead transform yourself into a brave, daunting legend. Moreover, by engaging in these colorful RIFT events, you are guaranteed to experience days that are never alike and always filled with something unexpected. Furthermore, you can make a difference here along with your fellow gamers that can have a massive impact on the world of Telara.
