

RS gold via MMOXE.com

Runescape has been around for some time now. It was created in 2001 and currently enjoys a well earned reputation in the ever increasing world of massively multiplayer online role playing games. Jagex Games Studio has in fact enjoyed many more than 10 million gamers solely due to this game. Moreover, this number reflects only the number of accounts that are currently active. In reality, there are even more than 156 million accounts that are officially registered for this game!

Runescape can be played for free and is perhaps the largest massively multiplayer online role playing game that belongs to this category. [Buy RS gold](#) and enjoy inevitable victory that is bound to come your way!

Gielinor is a familiar name that will ring a bell if you are a dedicated RS player. This is the name of the fantasy world where all the action takes place. Moreover, this world has become so popular that even a few novels have incorporated it into their fiction. Betrayal at Falador as well as Return to Canifis are two such examples. Runescape has even inspired handbooks that introduce you to the basics of this role playing game, provide you with maps, lots of tips and ensure you have fun as well as prosper within the fantasy world offered by the creators of RS.

Runescape continues to attract players from all over the world. If you are a new gamer or an old and dedicated player but if your avatar currently desires the currency within the game, you can enjoy [RS gold](#) which is easily available through MMOXE.com. Economical and [cheap rs gold](#) can be located from their site which provides an appealing level of convenience.

Runescape has been awarded with some of the most prestigious awards, the most praiseworthy being the Guinness world of records that had officially attested in 2009 that RS enjoys the highest popularity in the world of MMORPGs. Moreover, it enjoyed this honor for two straight years! Jagex Studios were praised for this game too in 2008 by Leipzig Games Convention. Furthermore, recently in 2010, Jagex also praised and presented with the honor of receiving the Golden Joystick UK Developer of the Year. Moreover, Deloitte has awarded it under the category of "Technology Fast 50". Jagex studios was even named as the one company that everyone must keep an eye on since it promised success based on its fantastic products. Moreover, Jagex which initially stood for Java gaming experts, continued to receive this honor in 2010 as well as 2011. In 2010, Jagex also got the "business of the year" award by Cambridge. "East of England Business Award" was another honor received by this company in the business sector. Regarding innovation, Jagex is still first in this challenging and cut throat race. This is shown by the Queen's Award for Enterprise (given to businesses within United Kingdom) which it enjoyed this year in 2011.

Therefore, locate all the [runescape gold for sale](#). These reductions will further reduce the already cheap prices and you will be able to use it to make undeniable progress within the game.
